Sir, With reference to the Secretary's circular
No 649 dated 13th May 1872, I have the
Rev 3
honor to report that Muddanáchár,
a Mugtayi stipendiary of the Kavaledrúg
Taluk, on receipt of Rupees 130-15 per year,
died on the 22nd December last, leaving
no issue but a widow. A copy of the
title deed is enclosed, from which it
will be seen that one-half of the grant
is payable to the deceased's heir or successor.
2. Rájachari and Rághavachari come
forward to claim the moiety as the
daughter's sons "Dauhitras" of Muddana-
-char, but from their own statement
they are his brother's daughter's sons;
and are not legal heirs to the deceased
in preference to the widow, to whom I
have accordingly directed that a
moiety of the grant should be
continued, subject to lapse after
her death.
3. The Amildar has been directed to
send

To,
The Secretary to the Dewan
of Mysore,
Bangalore

Sir,

I have the honor to point out a complication that has arisen in giving effect to the late Chief Commissioner's order No. 6423-4 P.707 of the 27th February 1880. In that order, Para 2, the confirmation of money grants to individuals in hereditary succession was, dis= =allowed. My Predecessor then recalled all Sanads that had been issued in hereditary succession and converted them into life grants but, in doing so, due care was not taken to ascertain whether the original holders at the time of the Inam enquiry had died, and if so, who were the then actual

actual recipients of these ready money grants. Colonel Cole appears to have treated the original holders whose names appear in the registers, as if they were in actual receipt, although one of them must have at that time been dead, and consequently in the Final registers of Money Grants the names of the actual incumbents do not appear.

The Deputy Commissioners Districts, consequently, on finding the Final registers of Money Grants and the actual enjoyment at variance, are sure to entertain doubts and refer them to this Office. I would therefore, in anticipation of such a contingency suggest that a ruling be passed to the effect that the actual recipients to the time of issuing the Titles deeds for life only should be considered the lives with which Grants should lapse.

In illustration of the necessity of the present reference, I be to attach a petition, No. 1581,

received this day from Venkatachari of the Village of Toomkur. His father, Gopalachari, was alive at the time of the original settlement in 1870, and died in 1873, and from that time up to last month, the payment of the Money was continued to his sons, and has only now been stopped on receipt of the final Register of Money Inams from this Office.

I have the honor to be,
Sir,
Your most Obed.t Servant.

Order No: 2810-18 of 17 July 1882 passed in the following words:— "In the C.C.'s 190: 8 1/2 27: 7 Feby 1880 Objection was taken to treating personal money grants as hereditary, & to the grant of title deeds for money grants made by the State for the support of religious and charitable institutions, more or less under its own management — but no orders were conveyed for reconverting all the personal grants into life grants without any qualification. What was intended was to settle all these cases de novo & for this purpose a complete register was called for of all the money grants xxx A detailed register showing the circumstances of each case should be forwarded for the entire province. Meanwhile orders may be issued for continuing the money grants to the present actual recipients pending the final disposal of the general question.
